**Father, how thankful I am to be sitting here in my
Prayer Chair this morning in the Body of Christ.**

**It says right here in your word that when you raised the
head, you raised the body, when you quickened the head,
you quickened the body, when you seated the head,
you seated the body at your own right hand,
and now I am there with you. Father in the name Jesus,
at your right hand, far above all principalities, powers,
rulers, and dominions named under my feet**

And you told me that those that received an

JESUS**

I am obeying you now; so, Father, I am thankful that you translated me out of under the kingdom of darkness and put me in the Body of Christ far above every name.

In the Name of Jesus, I take Authority over you Kingdom of darkness and I demand that you listen up in the spirit realm that I am operating from the right hand of God.

You listen up right now, you are not going to touch me today; my spirit, my soul, or my body because this covenant person is under Jesus Christ.

**ALWAYS

THE
BLOOD
OF
JESUS**

You are not going to touch my children, you are not going to touch my grandchildren nor their mates (where applicable).

You are not going to mess with their walk or path of God.

I command it and demand it and put them under the Blood of Jesus. Right now, in the Name of Jesus get your hands off my money, get your hands off my assets, get your hands off my body, and you are not going to mess with my walk with God.

In the Name of Jesus by the Blood of Jesus, you are not going to operate in the heavenlies over (your city, state, your work place, your neighborhood, etc.). It is written in Heaven that whatsoever I bind is bound, and I bind you, paralyze you, and you will not operate today. In the name of Jesus, I speak healing and restoration in my life and the lives of “The Body of Christ” my family, friends, neighbors, leaders, and my nation, ...
(get a list together).
