

BY HOLY SPIRIT

**FINANCIALLY**

**Let's All**

**PRAY**

**FOR**

**ONE ANOTHER**

**WITH PASSION**

**This ebook was created so that we can be a blessing to one another. In these last days we all need every resource possible to accomplish our assignment as children of the most high God.**

**Let's pray for a few moments right now ...**

**"Father in heaven, forgive me for not using all of the resources you have made available for me. By faith I ask that you will clean up my life with the precious blood of Jesus, cleanse my soul, cleanse my body, my finances, my family, my home and everywhere that needs cleansing. I desire to be fit and useful for these last days more and more so that I will not miss out on any good thing. Holy Spirit thank you for correcting me and guiding my into all truth.**

**Help me so that I can and will help others  
I thank you in advance in Jesus name, AMEN!"**

**(PRAY IN THE SPIRIT A FEW MOMENTS)**

**Brethren we must know that our lives are moving in a direction of our strongest thoughts.**

**We must ask Holy Spirit to reveal to us what are our strongest thoughts?**

**We must be honest with ourselves and ask are our thoughts more on the everlasting covenant that God has with us, are our thoughts on eternal things OR are our thoughts on temporal things, like what are we going to eat, what are we going to wear, etc. ?**

**We need and must do a thought audit of our own thoughts. We need to pray that God will renew our minds with the truth, with things that are of God, with things that are heavenly, with things that are eternal, everlasting.**

**As a man thinketh in his heart so is he. Our strongest thoughts determine where we're going whether it is good or whether it is bad.**

**Yes as many of us know, our strongest thoughts (what we think about the most) determine where we are headed. We must have the victory Jesus made available for all believers on our mind in order DAILY to have victory (seeing tangible evidence) in the natural realm. The strongest thoughts we think and the words we declare the most, determines what we will experience in the natural realm.**

**Again the mind is the defining Factor.**

**The words we hear and declare on purpose daily will change our thought patterns.**

**If we believe and think on the things that are eternal, things that are true, things that are lovely, things of a good report, if there be any praise, if there be any virtue and we think on all these things all of the time, where gravitating towards those good strongholds.**

**However, if we are focusing on things that are not lovely, things that are not a good report, things to be terrified about, then we are causing those thoughts to dominate our life and we are steering our life in that direction to experience more of what we don't want.**

The way this ebook should be used is the first week you start doing this, you gather together the names of people (mainly believers) and choose 3 names out of your collection of to pray for all week based on these declarations within this ebook and to pray in the spirit where ever mentioned.

The second week (7 days) we choose one name and pray for them based on the declarations in this ebook all week, pray in the spirit where ever mentioned and if led by the Holy Spirit, sacrifice (at least) one day to pray earnestly for them at midnight in tongues.

**So be it ALL for (.....) in Jesus name AMEN!**

**(PRAY IN THE SPIRIT)**

**Every time we sow seed/give an offering, into good ground we are making a deposit into our heavenly bank account. An angel records every seed we have ever sown into God's kingdom. God's kingdom blesses us 30 fold, 60 fold, 100 fold. So for an example let's say a person is very, very, tight on money and only sows \$1 dollar every week. We know there are 52 weeks in a year and let's say they never missed a time giving. Now let's also say they a faithful tithers. The tithe protects our earthly possessions, our money, etc. God rebukes the devourer for their sake whenever they tithe, therefore the devil is not able to touch their possessions, on earth. Our heavenly bank account is untouchable to the devil so he will do his best to lie to us that we don't have one, or he will say, you'll need that bank account money when you are in heaven which is totally not true. God is not going to charge us for anything in heaven. It's paid for in full by the blood of Jesus for all eternity. Our heavenly account is there for us to withdraw whenever we need to make a faith withdraw. Faith is the only way to withdraw from our heavenly bank account.**

**We must remember that we are the bride of Christ and Christ is the husband of the church. He Jesus Christ, God, is so jealous of our time, our actions and money that anything that we give more time to than we do Him is considered an act of adultery.**

**Our focus should be building up the kingdom of God daily, within us and around us.**

**Praying on behalf of our brothers and sisters in Christ for their accomplishments for the kingdom and vice versa.**

**When they they experience victory, we must keep in mind, we're on the same side so therefore we can rejoice for the victory because as a whole are all winning!**

**Every victory is to be noted and recognized! Big or small, a daily victory for the kingdom is always necessary for the whole!**

**We should always get back what the devil has stolen (our inheritance) so we can always effectively advance the kingdom of God.**

**We can also do this by withdrawing from our heavenly account.**

**Again every time we sow seed/give an offering, into good ground, (where the full gospel is being preached). Our heavenly bank account grows. And again faith is the only way to withdraw from our heavenly bank account. 30 fold of \$1 is \$30, 60 fold of \$1 is \$60 and 100 fold of \$1 is \$100. So technically every year this very, very tight sower has available in their heavenly account**

**30 fold - \$1,560.**

**At 60 fold - \$3,120.**

**At 100 fold - \$5,200.**

**Now let's say there is generous sower and they sow bountifully every week, like \$100 into good ground. Well let's look at their available balance for each week of giving.**

**30 fold - \$3,000**

**60 fold - \$6,000**

**100 fold - \$10,000**

**Now for one year...**

**30 fold - \$156,000**

**60 fold - \$312,000**

**100 fold - \$1,000,000.**

**TODAY IS  
GOING TO  
BE A  
GOOD DAY!**

***Our heavenly account is inaccessible to the enemy, Satan, and the force of darkness.***

***It is only accessible to you the tither, the sower, the believer. PLEASE NOTE: All of this works by faith.***

***Faith works for the impossible to man realm.***

***Faith goes far beyond human comprehension.***

***Faith is not needed for the possible (limited) realm.***

***If it were possible where reason can find a solution, faith is not necessary. However when it comes to***

***your heavenly account and earthly inheritance faith (paid for by Jesus' blood) is needed to obtain***

***because it goes beyond reason. Faith is required!***

***Our heavenly account can only be tapped into by faith.***

***Just like on Earth when we go to a physical Bank and we know how much we have in our physical bank***

***account, checking account, savings account,***

***we should also know how much we are sowing into***

***our heavenly account and write it down so that we***

***can make a withdrawal with confidence. When we***

***tithe it protects our finances on Earth also our***

***possessions on Earth. When we sow, it is accounted***

***for in heaven and God gives back 30 fold, 60 fold and 100 fold, also and some cases 1,000 fold.***

***However we have a heavenly account and also we have a heavenly inheritance just as we have an earthly inheritance. Jesus gave us authority over all the power of the enemy and in order for us to receive our earthly inheritance we have to take it back from the enemy by force. Our heavenly account does not have to be taken by force because the angels guard you heavenly account therefore we must believe we receive. Our earthly inheritance however is in the hands of the unrighteous and we must take it back by force by the use of holy filled words, which is the word of God, our heavenly language/praying in tongues, using the blood of Jesus, using the name of Jesus, and having other believers praying with us so that we all benefit. God will send angels to get your inheritance but we must be persistent, unwavering, determine, focused, expecting results without doubting.***

***Going the extra mile proves to be wise. (DO THAT)  
Now if by some chance, we don't stay in faith, we simply must ask for forgiveness and start again, the enemy will not willingly give back what rightfully belongs to us it must be taking by the force of faith.***

***We must truly know that we have an inexhaustible supply of resources, God is our source but we have an unlimited supply of resources in heaven and also on Earth.***

***Our focus should be Genesis 1 verse 28.***

***Having Dominion was God's original plan for mankind somehow the enemy got Adam and Eve to question God's word and got them to think God was holding something from them but instead God was holding something for them and by doing that causing them to doubt made it impossible to have fellowship with God our Father without a savior. Jesus had to intervene or else we would never have fellowship with the father.***

***Once a person claims their inheritance, earthly inheritance the devil is extremely limited against you because you stripped him of what was yours and because your heavenly account cannot be accessed by the enemy only by you the believer, only you have authority over your heavenly account.***

***I'm trying to drive this home...., we do have an inexhaustible supply of resources, God is our source and we have an unlimited supply of resources in heaven and also on Earth.***

***No matter how we look at it we always come out with more than enough when we so sparingly we reap bearing sparingly when we so bountifully we bountifully. The reason why I would like to go after our earthly inheritance is because that is the toughest match on Earth to take back what rightfully belongs to you. The enemy kicks up the most resistance against you when it comes to territory/finances/inheritance.***

***Once that is taken back the enemy has nothing that's yours therefore you can use your earthly inheritance and your heavenly account to further the kingdom without any delay or lack of increase. The more you have the more you can sow, the more you sow, the more your heavenly account will be. And since the enemy will be totally defeated in your personal life you can encourage other believers to do the same or better.***
